Personal Birding Tour

**Melbourne — Healesville — Beechworth —
Deniliquin — Ouyen — Port Campbell — Melbourne**

23 to 31 October 2009

Josep del Hoyo and Alejandro Sánchez

tour leader: **Philip Maher**

The focus of this tour was not to get an impressive bird list; rather it was to enable Josep to collect video of bird species for the Internet Bird Collection <http://ibc.lynxeds.com/> ; however, we saw a not too tardy 255 species of which Josep collected 83% on video.

S = seen H = heard B = breeding L = seen only by the leader
